SPONSORS

WHY ATTEND?

- Learn from the masters — hear from several world-class experts on how to drive a high-performance work culture. They will share their insights, research and experience on how to drive employee performance through effective leadership and engaging your workforce.
- Hear from companies who have been accredited as *Hewitt Best Employer* status in Australia and New Zealand.
- Gain practical knowledge and skills with in-depth workshops on engagement and its linkage with leadership, change and business performance
- Be inspired to build your own external employment brand, and drive internal engagement.

REGISTRATION COST:
